DIRECTIONS FOR USE

Chocolate pudding:

BUDINO CIOCCOLATO 230-250 g

Milk (whole, skimmed or semi-skimmed) 1.000 g

Stir the mix into about 160 g of milk, avoiding the formation of lumps; then add the remaining milk until reaching boiling temperature, stirring constantly for a minute.

Pour the mix into pudding moulds. Put into the fridge for about 3 hours.

TECHNICAL DENOMINATION

semifinished product for confectionery.
