

GOCCIOLONI CIOCC BIANCO 10 (4X2.5)

White chocolate chips specifically formulated to maintain shape and consistency even after baking, withstanding up to a temperature of 200 °C without melting.

Designed to absorb less moisture, they allow to keep the dough elastic and to obtain a smoother and softer finished product, with delicious inclusions for an intense taste experience.

Ideal for use both in large and medium leavened such as panettone and colombe, and baked goods such as cakes, cookies and muffins.
