CLAIMS

DIRECTIONS FOR USE

take the necessary quantity of MIRROR KIWI from the packaging, warm it up in the microwave oven or in bain-marie at 45-50°C, then stir shortly without englobing air. Place the sweets to be glazed on the proper grates and cover with MIRROR KIWI using a spatula and vibrate them lightly. MIRROR KIWI can also be used with good results on flat surfaces without warming: in this case work shortly with a spatula before using it.

TECHNICAL DENOMINATION

semifinished pastry product for decoration.
