Cut the dough into triangles of the desired weight, roll them up well tight, from the base up, and bend the tips in order to give them a crescent shape.

Place them onto trays and store into the proofer room for 80-90 minutes at 28-30°C with relative humidity of the 70-80%.

When risen, brush the croissants with beaten egg and bake at 180°C for 18-20 minutes.

Out of the oven, brush the warm croissant with the hot sugar syrup to enrich them with shiny gloss and extra taste.
