FINAL COMPOSITION

Bake the 70g loaves for 20 minutes and the 500g loaves for 50 minutes, both at 220-230°C.

It is advisable to open the valve towards the end of the baking so as to allow bread to dry out well.

AMBASSADOR'S TIPS

The recommended times for resting and rising refer to 200g portions, so they have to be slightly lengthen for bigger portions and shorten for smaller portions.

For best results, bake the loaves when the rising process is still not at its maximum.
