BREADSTICKS

INGREDIENTS

| | |
|----------|----------|
| VITAMAIS | Kg 10 |
| WATER | Kg 5-5.5 |
| YEAST | g 300 |

PREPARATION

Knead all the ingredients in a spiral mixer for about 15 minutes.

Shape the dough into a long loaf, cover it and let it rise for 15-20 minutes at 22-24°C.

Cut the long loaf into strips of the desired weight and stretch each strip with your hands to shape it into a breadstick.
