### CRUNCHY CHOCO BON BON WITH COFFEE FLAVOURED FILLING

DIFFICULTY LEVEL

#### CHOCOLATE OUTER SHELL

##### INGREDIENTS

RENO CONCERTO FONDENTE 64% - TEMPERED

To Taste

##### PREPARATION

Use tempered RENO CONCERTO FONDENTE 64% to fill a polycarbonate mould for choco bon bons.

Gently shake and tap the mould to remove any bubble.

Wait a few seconds, then overturn the mould in order to remove the chocolate in excess and to create a thin chocolate shell.

Clean the borders of the mould from the chocolate in excess and let crystallize.
