FINAL COMPOSITION

Heat PRALIN DELICRISP BLANC in the mocrowave, then pour it in a stream onto the bottom of the shot glasses, to create a 2-3 mm thick layer.

Transfer the mousses into pastry bags fitted with round plain tip. Pipe the dark chocolate mousse, then the milk chocolate mousse and, in the end, the white chocolate mousse into 3 equal layers, to fill the shot glasses.

Decorate the top with MIRROR CIOCCOLATO and CRUNCHY BEADS DARK.
