FINAL COMPOSITION

Pour a 1-cm layer of white chocolate mousse into a 4-cm high silicone mould.

Put in the blast chiller to make it hardens a bit.

When quite thick, pour a 1-cm layer of milk chocolate mousse.

Put in the blast chiller again so as to make the second layer of mousse harden a little bit too.

Then, pour a 1-cm layer of dark chocolate mousse.

Lay the disc of rollè and press gently to make it stick.

Return to the blast chiller until completely frozen.

When completely frozen, remove the cake from mould and frost it with MIRROR.

Decorate as you like most.
