# FINAL COMPOSITION

Cut the chocolate biscuit layer into a disc and lay it at the bottom of a steel ring for bavaroise.

Lay a frozen disc of crunchy insert and evenly cover with a 1-cm thick layer of chocolate mousse.

Make the frozen apricot jelly stick to the mousse and cover with some more chocolate mousse.

Use a spatula to smooth the surface of the dessert out and freeze.

When frozen, remove from the steel ring, round the edge of the cake with your hands and then glaze with MIRROR CIOCCOLATO.

Use MIRROR WHITE CHOCOLATE to create an "S" on the top of the cake, then finish the decoration with CRUNCHY BEADS WHITE and other chocolate decorations.
